

Intelenet opens centre in Poland

BANGALORE: Intelenet Global Services, the Blackstone-controlled BPO services firm, has announced the launch of a new centre in Krakow, Poland. This 150-seater facility will enhance the company's nearshore capabilities in Europe and plans are to grow the facility to 500 seats in around a year, according to a release. The Krakow facility will provide multilingual capabilities in German, French, Italian, Dutch, and Spanish to global clientele and will cater to several verticals especially the BFSI and travel industries.
