Intelnet inaugurates its second Chennai delivery Centre

Grows to a 1750 seat capacity in a span of six months

Chennai, November 23, 2006: Intelnet Global Services, an HDFC-Barclays joint venture and one of India's leading International Business Process Outsourcing (BPO) companies inaugurated its new delivery centre at Prince Info Park in Ambattur, Chennai. This centre is Intelnet Global Services' second new centre in Chennai in the last 6 months thus increasing Intelnet's capacity in the city to 1750 seats.

Intelnet Global Services' state-of-the-art centre spans across 72,500 sq. ft., with the capacity of 1050 seats. The new centre will offer a mix of customer service, back-office operations and accounting services and is designed to proffer a wide range of facilities to the employees, ensuring a world-class working environment.

Intelnet Global Services had unveiled a 700-seater centre at Ascendas in May early this year. The company expects to grow its current head count of 1100 people in Chennai to more than 2500 employees by end of next year.

This will make Chennai a significant delivery destination for Intelenet, which today has more than 11,000 people on its rolls.

Reiterating the expansion plans in Chennai, **Mr. Susir Kumar, CEO, Intelenet Global Services** said, "Intelenet has aggressive growth plans and the new Chennai facility will enable us to accommodate this high pace of growth."

He further added, "Our experience in Chennai over the past few months has been extremely favourable. We believe that the city has all the necessary ingredients including a rich talent pool and strong infrastructure to support our growth. Our new Chennai facility also blends with our business strategy of providing multi-location delivery capability to our clients."

With 12 state-of-the-art service delivery centres in India, and over 40 delivery centres in Europe and Latin America, Intelenet Global Services has proven to be reliable and scaleable on a 24x7x365 basis for its international and national clients.
