CORPORATE MISSION-BPO

Intelenet Global Services

Intelenet Global Services, as an organisation has always been sensitive to social issues, and we try to inculcate in our employees a sense of responsibility pertaining to social issues both within the organization and towards society at large. This value has been reflected through numerous activities that have been undertaken both within the organization and externally during the past few years. Some of the projects that Intelenet Global Services has been actively involved in include:

ICCP (Intelenet Conscious Citizen's Programme) 2004 - A week's program where our volunteers visit various Non Governmental Organizations (NGO's) and spend quality time with them; organising various programs for them. Prior to the ICCP 2004 we had a donation drive where Intelenet Global Services collected truckload of household items and clothes which were distributed to the NGO on the visit.

S.P.J Sadhana School - It's a school, which caters to the severely handicapped and autistic children. Intelenet Global Services sponsored some sports equipment, which could groom the children to participate in the upcoming Special Olympics. In addition to this Intelenet Global Services visited the school four times along with volunteers to play with the kids and help them gain confidence in a particular sport.

Tsunami Donation Drive - Intelenet Global Services collected useful items for the Tsunami victims which was delivered to them through NMIMS (a reputed management college in Mumbai Mirror Online

Flood Relief Program - Intelenet Global Services had organised food for the flood victims in the vicinity of our office to help people affected by floods in Mumbai Mirror Online

Home for the Aged - Every year Intelenet Global Services volunteers to help Home for the Aged by organising for their annual sale which looks into revamping the donated items they get during the year

Shelter Don Bosco - On children's day we organise games and other activities for the street children from Shelter at our office premises to give them a flavour of the corporate environment.

MDAC (Mumbai Mirror Online District AIDS Control Society) - Every Year on AIDS day we sell ribbons prepared by MDAC and give the collection amount to the society.

Christmas Greeting Cards - We had greeting cards printed of the artwork given by the children at Shelter Bosco. The collection amount for the same was given to them.

NGO Bazaar - We invite NGO's, at our office premises, to sell their artistic items and help them earn a living.

HAPPY Hours Workshop - We got a school building painted. This school deals with cerebral palsy children, which empowers them to work and earn a living.

Spastics Society of Tamil Nadu – We support this institution by renting out their premises from time to time to conduct various activities. This serves a two-fold purpose of providing monetary support to the institution whilst educating/ spreading the awareness among our employees on the challenges faced by spastics.
