## **Intelnet wins Deloitte Technology Fast 50 India Award 2008**

Ranks 45th in the Fourth Deloitte Technology Fast 50 2008 program; Intelnet is the only BPO company to feature on the list this year

Intelnet Global Services Pvt Ltd (Intelnet), a leading global third party BPO service provider has been selected to the Deloitte Technology Fast 50 India 2008 program. The Deloitte Fast 50 India 2008 Program conducted by Deloitte Touche Tohmatsu, Asia Pacific, now in its fourth year ranks the fastest growing technology companies in India based on their percentage revenue growth over the last three financial years. This year, Intelnet is the only BPO to make it to the Top 50 list.

Intelnet has on two prior occasions made it to the Technology Fast 50 India list in 2005 and 2006.

Mr. Susir Kumar, CEO Intelnet Global Services said, "We are proud to have been selected in the Deloitte Technology Fast 50 India 2008 list. This ranking is testimony that we are on track with our strategy of aggressive organic and inorganic growth set in motion, post the management buy-out backed by Blackstone in June 2007."

Since the management buyout by Blackstone, Intelnet has, through its acquisition of Upstream, a global US based BPO company and Travelport ISO, the India based back office operations of Travelport, expanded its delivery footprint from solely offshore centres, to an on-shore and near-shore capability based out of the US and Latin America. This global delivery expansion has also added new geographies such as Mauritius along with a multiple language capability portfolio with Spanish and French.

In addition, Intelnet has also been growing aggressively in the domestic BPO space making it to the No. 1 spot on the Dataquest Domestic Call Centre Survey for 2008.
